

INSIDE AND OUTSIDE · ONE ORDER

# Total Relief Combos

Our topicals work even better paired with something on the inside. Every combo puts the Intensive Relief Rub or the Soothing Relief Gel together with a tincture, softgels or gummies. Inside and outside, both covered, in one order. It's the easiest way to get started.

|                                                                         |                                                                     |                                                     |
